Bruce A. Mol

Ride Leader Workshop

Proposed Agenda

10 AM Welcome and introductions

Begin with defining:

- terms for ride lengths**
- types of event organisers**
- qualities of a ride leader**

11 AM Coffee break

Becoming a better Ride Leader by learning:

how to plan a riding event

the common accident types and how to improve skills

learn how accidents occur and how to reduce them

how and why to create an Emergency Plan

the responsibilities of the Ride Leader

where to find resources for Ride Leaders

***Your individual concerns or information requests**
